APPLICATION INSTRUCTIONS

Final Filing Date: Continuous

Who Should Apply:

Applicants who meet the minimum qualifications as stated on this bulletin may apply for and take this examination.

Once you have taken this examination, you may not retake it for **six (6)** months.

How To Apply:

The link to connect to the Training and Experience Evaluation is located farther down on this bulletin in the “Taking the Exam” section.

Special Testing Arrangements:

If you require special testing arrangements due to a verified disability or medical condition, please contact:

California Department of Human Resources
CalCareer Service Center
1810 16th Street
Sacramento, CA 95814

Phone: (866) 844-8671

Email: CalCareer@CalHR.CA.GOV

California Relay Service: 7-1-1 (TTY and voice)

TTY is a Telecommunications Device for the Deaf, and is reachable only from phones equipped with a TTY Device

MINIMUM QUALIFICATIONS

All applicants must meet the education and/or experience requirements as stated on this exam bulletin to be accepted into the examination. Part-time or full-time jobs, regardless of whether paid or volunteer positions, and inside or outside California state service will count toward experience.

Assistant Telecommunications Engineer

Either I:

One year of experience in the California state service performing the duties of the Junior Electrical Engineer in the telecommunications field.

Or II

Two years of electrical engineering experience, one year of which shall have been in the telecommunications field.

AND

Education: Candidates applying under non-State requirement must meet the following education requirements: Equivalent to graduation from college with major work in electrical, electronic, or communications engineering. (Additional qualifying experience may be substituted for the required education on a year-for-year basis.) (A Master's Degree in Electrical Engineering with specialization in electronics or communications may be substituted for the required experience for Assistant Telecommunications Engineer. Applicants, who are pursuing graduate work toward a master's degree will be admitted to the examination, but they must receive the degree before they will be considered for the appointment.

Associate Telecommunications Engineer

Either I

Two years of experience performing the duties of an Assistant Telecommunications Engineer.

Or II

Three years of engineering experience in the field of telecommunications which must have been included two years in design and construction, or maintenance of radio communications systems or wire communications systems.

AND

Education: Candidates applying under non-State requirements must meet the following education requirements: Equivalent to graduation from college with major work in electrical, electronic, or communications engineering. (Additional qualifying experience may be substituted for the required education on a year-for-year basis.) (A Master's Degree in Electrical Engineering with specialization in electronics or communications may be substituted for the required experience for Assistant Telecommunications Engineer. Applicants who are pursuing graduate work toward a master's degree will be admitted to the examination, but they must receive the degree before they will be considered for appointment.)

POSITION DESCRIPTION

Assistant Telecommunications Engineer

This is the lower level of journey person in this series. Under supervision, incumbents perform engineering work of average difficulty and assist in making telecommunications engineering surveys and studies.

Associate Telecommunications Engineer

This is the full journey person professional level engineer in the series. Under direction, incumbents perform difficult telecommunications engineering work or act as a lead person over subordinate staff members in connection with design, installation, maintenance and operation of statewide telecommunications systems; and independently make or supervise telecommunication engineering surveys and studies.

EXAMINATION SCOPE

This examination consists of the following components:

Training and Experience Evaluation – Weighted 100% of the final score.

The examination will consist solely of a **Training and Experience Evaluation**. To obtain a position on the eligible list, a minimum score of 70% must be received. Applicants will receive their score upon completion of the Training and Experience Evaluation process.

In addition to evaluating applicants' relative knowledge and ability, as demonstrated by quality and breadth of education and/or experience, emphasis in each exam component will be measuring competitively, relative job demands, each applicant's:

Knowledge and Abilities All Levels

Knowledge of: Electronics theory; engineering mathematics; principles, practices, methods, terminology and trends in wire communication systems engineering and mobile and microwave radio communications engineering including the fields of radio frequency allocations, electromagnetic wave propagation, radio field strength measurements and tolerances; theory and operation of telephone, data telegraph and teletype systems; engineering economics; Federal Communications Commission rules and regulations; traffic handling procedures; California State Communications Law and the Federal Communications Act of 1934.

Ability to: Perform radio and electronic research projects; prepare engineering reports and surveys; design; write specifications and make final engineering recommendations on various radio and wire communications systems; analyze technical data; establish and maintain cooperative relations with those contacted in the work; interpret and apply provisions of the California State Communications Act and the Federal Communications Act of 1934; apply knowledge of wire communications systems to the communications problems of State agencies; secure a valid second class or higher radio-telephone operator license issued by the Federal Communications Commission when such license is or will be necessary for performance of the assigned work.

ELIGIBLE LIST INFORMATION

A servicewide, open eligible list for each classification: Assistant Telecommunication Engineer and Associate Telecommunication Engineer, will be established for the State of California (all State of California departments, statewide).

The names of successful competitors will be merged onto the eligible list in order of final score regardless of exam date. Eligibility expires **twelve(12) months** after it is established. Applicants must then retake the examination to reestablish eligibility.

Veterans' Preference will be granted for this examination. In accordance with Government Codes 18973.1 and 18973.5, whenever any veteran, or widow or widower of a veteran achieves a passing score on an open examination, he or she shall be ranked in the top rank of the resulting eligible list.

Veterans status is verified by the California Department of Human Resources (CalHR). Information on this program and the [Veterans' Preference Application](#) (Std. Form 1093) is available online. Additional information on veteran benefits is available at the Department of Veterans Affairs.

Career credits will not be added to the final score of this examination.

EQUAL OPPORTUNITY EMPLOYER

The State of California is an equal opportunity employer to all, regardless of age, ancestry, color, disability (mental and physical), exercising the right of family care and medical leave, gender, gender expression, gender identity, genetic information, marital

status, medical condition, military or veteran status, national origin, political affiliation, race, religious creed, sex (includes pregnancy, childbirth, breastfeeding, and related medical conditions), and sexual orientation.

DRUG-FREE STATEMENT

It is an objective of the State of California to achieve a drug-free State work place. Any applicant for State employment will be expected to behave in accordance with this objective, because the use of illegal drugs is inconsistent with the law of the State, the rules governing civil service, and the special trust placed in public servants.

GENERAL INFORMATION

Examination and/or Employment Application (STD 678) forms are available at the California Department of Human Resources, local offices of the Employment Development Department, and through your [CalCareer Account](#).

If you meet the requirements stated on this examination bulletin, you may take this examination, which is competitive. Possession of the entrance requirements does not assure a place on the eligible list. Your performance in the examination described in this bulletin will be rated against a predetermined job-related rating, and all applicants who pass will be ranked according to their score.

The California Department of Human Resources (CalHR) reserves the right to revise the examination plan to better meet the needs of the service, if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service laws and rules and all applicants will be notified.

General Qualifications: Applicants must possess essential personal qualifications including integrity, initiative, dependability, good judgement, the ability to work cooperatively with others, and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required. In open examinations, investigation may be made of employment records and personal history and fingerprinting may be required.

Eligible Lists: Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) sub-divisional promotional, 2) departmental promotional, 3) multi-departmental promotional, 4) servicewide promotional, 5) departmental open, 6) open. When there are two lists of the same kind, the older must be used first. Eligible lists will expire in one to four years unless otherwise stated on the bulletin.

High School Equivalence: Equivalence to completion of the 12th grade may be demonstrated in any one of the following ways: 1) passing the General Education Development (GED) Test; 2) completion of 12 semester units of college-level work; 3)

certification from the State Department of Education, a local school board, or high school authorities that the competitor is considered to have education equivalent to graduation from high school; or 4) for clerical and accounting classes, substitution of business college work in place of high school on a year-for-year basis.
