

## Off-Highway Vehicles (OHVs) for Exempt Agencies

**Effective: Immediately**

### **New Information**

Do **not** process off-highway vehicle (OHV) transactions for exempt agencies.

### **Procedures**

If an application to register an OHV is received from an exempt agency:

- Inform the representative that their agency is exempt from displaying indicia on their OHVs.
- Return the application to the exempt agency.

### **Background**

In the past, when the Department of Motor Vehicles received an application to register an OHV for an exempt agency, the fees were waived manually and indicia was issued in error, instead of returning the application. This resulted in exempt agencies registering vehicles unnecessarily and receiving delinquent notices.
