New Information

New vehicle dealers who sell new 2022 model-year Porsche 911 GT3 vehicles, equipped with GT Sport Manual Transmission (GT3 MT), will complete an Application for Registration of New Vehicle (REG 397) as usual. There are no additional requirements or procedures.

Procedures

When a 2022 model-year Porsche 911 GT3 with GT3 MT is sold, the new vehicle dealer **will** certify on a REG 397 that the vehicle is compliant with all provisions of the *Vehicle Code* (VC) and related regulations.

Background

Porsche demonstrated compliance with regulations related to noise limits, as specified in VC §27200. Until regulations are updated, new vehicle dealers will certify compliance of the 2022 model-year Porsche GT3 MT.
