

Order to Adopt  
Title 13, Division 1, Chapter 1  
Article 3. Vehicle Registration and Titling

§ 156.00. Clean Air Vehicle Decals.

(a) Only vehicles that meet both the Federal Inherently Low Emission Vehicle (ILEV) standards [as defined in Part 88 (~~commencing with Section 88.311-93~~) of Title 40 of the Code of Federal Regulations] and the California Ultra Low Emission Vehicle (ULEV) or Super Ultra-Low Emission Vehicle (SULEV) standards, [as defined in Title 13, Section 1960.1, of the California Code of Regulations], as listed on the California Air Resources Board's (CARB)'s Internet website at [www.arb.ca.gov/msprog/carpool/carpool.htm](http://www.arb.ca.gov/msprog/carpool/carpool.htm), are eligible for Clean Air Vehicle Decals ~~in accordance with subsection (g)(1)~~, and must be powered by one of the following:

- (1) Electric;
- (2) Liquefied Petroleum Gas [LPG];
- (3) Compressed Natural Gas [CNG];
- (4) Hydrogen Fuel Cell.

(b) Vehicles that meet California's Enhanced Advanced Technology Partial Zero Emission Vehicle (Enhanced AT PZEV) or Transitional Zero-Emission Vehicle (TZEV), or plug-in hybrid (PHEV) standards or hybrid vehicles including hydrogen internal combustion engine (hydrogen ICE) vehicles, as listed on the CARB's Internet website at [www.arb.ca.gov/msprog/carpool/carpool.htm](http://www.arb.ca.gov/msprog/carpool/carpool.htm), are eligible for Clean Air Vehicle Decals ~~in accordance with subsection (g)(2)~~, and must be powered by:

- (1) Plug-in Hybrid.

(c) If the applicant's vehicle(s) does not appear on the CARB's list of eligible vehicles, the department may refer the applicant to the CARB for assistance. A certification from the CARB verifying the vehicle meets the emission standards as set forth in subdivisions (a) and (b) will be required by the department before decals may be issued.

- (1) Vehicles converted by means of "aftermarket" kits to 100% electric power to meet the decal qualification shall be referred to CARB's toll free telephone number to obtain an CARB certification before decals may be issued.

(d) Applicants for Clean Air Vehicle Decals shall ~~complete the appropriate form~~ apply through the department's internet portal as follows:

- (1) Registered vehicle owners shall provide the department with the following information: complete an Application for Clean Air Vehicle Decals, Form REG 1000 (Rev. 6/2015), which is hereby incorporated by reference.

- (A) The registered owner's true full name, driver's license number, and address.

(B) The vehicle purchase date,

(C) The vehicle year, make, and model,

(D) The vehicle identification number and license plate number,

(E) The vehicle's motive power,

(F) An indication of whether the application is for an original decal issuance or a replacement.

1. If the application is for replacement decals, the applicant shall indicate whether the previous decals were stolen, lost or damaged, or not received.

2. If the application is for a replacement ID card, the applicant shall indicate whether the transaction will update or correct information or transfer to a new owner.

(G) The application process will provide the applicant with the following information:

“For a vehicle purchased on or after January 1, 2018, an applicant’s participation in the Clean Air Vehicle Decal program and the Clean Vehicle Rebate Project, as specified in Section 156.02, is based upon both the applicant’s gross annual income and vehicle type.”

<u>Gross Annual Income</u>	<u>Vehicle Type: LPG and CNG</u>	<u>Vehicle Type: Plug-In Hybrid</u>	<u>Vehicle Type: Fuel Cell</u>
<u>At or above: \$150,000 for single filers, \$204,000 for head-of-household, or \$300,000 for joint filers.</u>	<u>CAV Only</u>	<u>CAV Only</u>	<u>CAV or CVRP</u>
<u>Under: \$150,000 for single filers, \$204,000 for head-of-household, or \$300,000 for joint filers.</u>	<u>CAV Only</u>	<u>CAV and CVRP</u>	<u>CAV or CVRP</u>

(H) The applicant shall certify that they have read the important information, as described in subsection (d)(1)(G), and shall certify under penalty of perjury under the laws of the State of California that the information provided in the application process is true and correct.

~~(2) Vehicle dealers who are requesting several stickers decals for vehicles prior to vehicle sales shall provide the department with the following information: complete a New Vehicle Dealer Application for Clean Air Vehicle Decals, Form REG 1000 D (Rev. 3/2017), which is hereby incorporated by reference.~~

~~(A) Registered vehicle owners who purchased a new vehicle through from a dealer for which a Clean Air Vehicle Decal has already been issued are not required to complete a Form REG 1000.~~

~~(A) The dealer's business name and business number,~~

~~(B) The dealer's physical business address,~~

~~(C) The vehicle identification number for each vehicle for which a decal is being requested,~~

~~(D) The year, make, and model of each vehicle for which a decal is being requested,~~

~~(E) The motive power of each vehicle for which a decal is being requested, and~~

~~(F) The authorized employee is required to sign the application under penalty of perjury under the laws of the State of California that the information provided during the application process is true and correct and to further agree that the dealer will inform the vehicle purchaser of their requirement to provide the department with the information provided in subsections (d)(1)(A) through (d)(1)(H).~~

~~(G) Vehicle dealers shall keep the decals issued to the vehicle and provide those decals to the customer at the time of sale. Decals may be either affixed on the vehicle or retained in the vehicle file while the vehicle is with the dealer or when the vehicle is transferred to another dealer. The department will not issue replacement decals when the originally issued decals were lost by the vehicle dealer.~~

~~(3) Registered owners who have a fleet of like vehicles may submit one application for the entire fleet using a Form REG 1000.~~

~~(A) A list shall be attached to the application, which identifies each vehicle by:~~

~~1. Vehicle Identification Number;~~

~~2. License Plate Number;~~

~~3. Make;~~

~~4. Model and year.~~

~~(B) "Like" vehicles are those vehicles that are powered by the same energy source.~~

~~(e) If the application is incomplete or deficient, the department shall notify an applicant, in writing, within 30 days of receipt of the application.~~

~~(1) An application is considered deficient when the applicable requirements of these regulations are not fulfilled.~~

~~(A) When an application is determined to be deficient, the department shall identify the specific requirement(s) needed to complete the application.~~

~~(2) An application is considered complete when the applicable requirements of these regulations have been fulfilled.~~

~~(A) When an application is determined to be complete, a set of decals shall be issued.~~

(e) The Clean Air Vehicle Decal will be issued with a Clean Air Vehicle Certificate that shall be kept with the vehicle's current registration card and presented to a peace officer upon demand.

~~(f) A \$22.00-\$27.00 application fee for each set of Clean Air Vehicle Decals requested and the completed application as set forth in subdivision (d), along with a list as set forth in subdivision (d)(3)(A), if applicable, shall be submitted to the department electronically. mailed to:~~

~~SPECIAL PROCESSING UNIT~~

~~DEPARTMENT OF MOTOR VEHICLES~~

~~P.O. BOX 932345~~

~~MAIL STATION D238~~

~~SACRAMENTO, CA 94232 3450~~

~~or delivered to any department field office. Documents and fees will be sent to the Special Processing Unit at the department's Headquarters for processing.~~

~~(g) Number, color, and placement of the Clean Air Vehicle Decals shall be as follows:~~

~~(1) For vehicles meeting ULEV, SULEV, or ZEV standards, as described in paragraph (a), the decals shall be of white material, issued to each vehicle in sets of three. The two larger decals shall be affixed on each vehicle's rear quarter panels, one on each side of the vehicle, behind the wheel wells, with the State Seal in the up position. The smaller decal in the set shall be affixed to the right side of the vehicle's rear bumper, with the State Seal in the up position.~~

~~(2) For vehicles meeting Enhanced AT PZEV or TZEV standards, as described in paragraph (b), the decals shall be of green material, issued to each vehicle in sets of four. The two larger decals shall be affixed on each vehicle's rear quarter panels, one on each side of the vehicle, behind the wheel wells, with the State Seal in the up position. The two smaller decals in the set shall be affixed to the right and left sides of the vehicle's front and rear bumpers, with the State Seal in the up position.~~

Note: Authority cited: Section 1651, Vehicle Code. Reference: Sections 5205.5 and 21655.9, Vehicle Code.

§ 156.01. Clean Air Vehicle Decals: Transfers and Replacements.

(a) Clean Air Vehicle Decals shall remain with the qualifying vehicle for which they were originally issued, regardless of changes in ownership.

(b) A new Clean Air Vehicle certification document (i.e., "Clean Air Certificate," issued with each set of Clean Air Vehicle Decals) shall be made available for subsequent (i.e., transfer) purchasers of qualifying vehicles to which Clean Air Vehicle Decals have been issued. The department shall issue a new Certificate which shall retain the vehicle description while providing the new ownership information.

(1) A new owner of a vehicle that was issued a decal through the dealer prior to sale is ~~not~~ required to obtain a new certification.

(c) Clean Air Vehicle Decals shall be made available for issuance in complete sets as replacements for Clean Air Vehicle Decals that are damaged, destroyed, stolen, or not received, provided that such replacement decals ~~are issued to~~ are the same year decal originally issued to the vehicle to which Clean Air Vehicle Decals were originally issued.

(d) Applicants for replacement Clean Air Vehicle Decals or a replacement Clean Air Certificate shall apply in accordance with Section 156.00(d)(1)(A) through (d)(1)(H). ~~complete an Application for Clean Air Vehicle Decals, Form REG 1000 (Rev. 6/2015), which is hereby incorporated by reference and made available to the public at all field offices and on the department's internet website at [www.dmv.ca.gov](http://www.dmv.ca.gov). The applicant shall sign the application under penalty of perjury under the laws of the State of California.~~

(e) ~~An acceptable Application for Clean Air Vehicle Decals, Form REG 1000, hereinafter referred to as "application," requesting replacement decals shall contain a check mark in the box labeled "Replacement decal" and a check mark in one of the boxes indicating the reason a replacement is needed.~~

(1) ~~An acceptable application requesting replacement Clean Air Vehicle Decals that are declared "stolen" shall include a copy of the police report that was created by the responding law enforcement agency to which the stolen decals were reported.~~

(2) ~~An acceptable application requesting replacement Clean Air Vehicle Decals which have been declared "lost", "not received", "damaged", or "destroyed" shall complete the vehicle information portion and Section E – Statement of Facts portion of the Form REG 1000, which is hereby incorporated by reference and available to the public at all field offices and on the department's internet website at [www.dmv.ca.gov](http://www.dmv.ca.gov). The applicant shall provide an explanation as to how the decals were lost, not received, damaged or destroyed.~~

~~(3) An acceptable application requesting a new Clean Air Certificate only, due to the applicant acquiring a qualified vehicle through transfer, shall contain the word "transfer" or other words to indicate a transfer has taken place, in the space provided under the box marked "Other."~~

~~(f)(e) Any and all remaining Clean Air Vehicle Decals previously assigned to a vehicle shall be removed and surrendered to the department, either at a department field office or by mail to the address identified in subsection (g) of this section, from the vehicle and destroyed before replacement decals are affixed to the vehicle.~~

~~(g)(f) A \$22.00-\$27.00 fee for each replacement set of Clean Air Vehicle Decals and the completed application shall be submitted electronically, mailed to:~~

~~SPECIAL PROCESSING UNIT~~

~~DEPARTMENT OF MOTOR VEHICLES~~

~~P.O. BOX 932345~~

~~MAIL STATION D238~~

~~SACRAMENTO, CA 94232-3450~~

~~or delivered to any department field office. There is no fee for an applicant requesting a Clean Air Certificate only.~~ (4) The \$22.00-fee will not be required of an applicant who indicates on the application that the original decals were never received.

Note: Authority cited: Section 1651, Vehicle Code. Reference: Sections 5205.5 and 21655.9, Vehicle Code.

§ 156.02. Participation in the Clean Air Vehicle Decal Program and/or CARB's Clean Vehicle Rebate Project.

(a) A vehicle purchaser opting to participate in the Clean Vehicle Rebate Project shall not apply for a Clean Air Vehicle Decal, unless the purchaser's income and the vehicle type allows for participation in both programs, pursuant to Vehicle Code section 5205.5.

(b) If the vehicle purchaser opts to participate in the Clean Vehicle Rebate Project, the purchaser must return any previously issued Clean Air Vehicle Decals to the department, either at a department field office or by sending the decals to the Department of Motor Vehicles, PO BOX 997601, M/S D238, Sacramento, CA 95899-7601, with a Statement of Facts, form REG 256 (Rev. 8/2008), which is hereby incorporated by reference, completing Section G with an indication that the decals are being returned because the purchaser is participating in the Clean Vehicle Rebate Project, and Section H completed and signed by the purchaser.

(c) The department will verify, on a randomized basis, the status of vehicles in the Clean Vehicle Rebate Project and will not issue a Clean Air Vehicle Decal to a vehicle purchaser who has applied for or received a rebate, unless the purchaser qualifies for participation in both programs.

(d) If the rebate was denied, the vehicle owner may reapply for a Clean Air Vehicle Decal, as specified in Section 156.00, with proof of rebate denial.

Note: Authority cited: Section 1651, Vehicle Code. Reference: Sections 5205.5 and 21655.9, Vehicle Code.
