

## DRIVING SCHOOL VEHICLES NO LONGER USED FOR BEHIND-THE-WHEEL INSTRUCTION

California Vehicle Code Sections 11109 and 11103, requires driving schools to submit vehicle safety inspection reports annually, along with proof of insurance for each vehicle used for behind-the-wheel instruction.

## Instructions:

- If you have discontinued using vehicles previously reported as being used, complete this form so we can update our records and remove these vehicles as being used for behind-the-wheel instruction in your file.
- Return completed and signed form with your renewal application and fee in the envelope provided.
