Title 13, Division 1, Chapter 1  
Article 4.7. Schools for Traffic Violators

The Department of Motor Vehicles (department) proposes to amend Section 345.50 in Article 4.7, Chapter 1, Division 1, Title 13 of the California Code of Regulations, related to office practices for Traffic Violator Schools.

The department published the originally proposed language on June 25, 2021, in California Regulatory Notice Register 2021, Number 26-Z. The comment period ended on August 9, 2021, with the department having received two comments related to the proposed business hours.

The department is amending the originally proposed regulation to remove a provision that is inconsistent with statute.

§ 345.50. Office Practices.

Subsection (c)(1) is amended to remove the word ‘horizontal’ from the proposed adoption. Vehicle Code section 11202(a)(1) does not allow for the additional clarification of horizontal feet. The amended language will ensure consistency with statute by requiring a traffic violator school’s business office or place of business be more than 50 feet from the nearest building wall of another traffic violator school.
