FINAL STATEMENT OF REASONS

1) The Update to the Initial Statement of Reasons

There are no changes to the initial statement of reasons.

2) Imposition of Mandate on Local Agencies or School Districts

The department's regulatory action amending Section 124.92 in Article 2.5, Chapter 1, Division 1, of Title 13, does not impose any mandate on local agencies or school districts and imposes (1) no cost or savings to any state agency, (2) no cost to any local agency or school district that is required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of the Government Code, (3) no other discretionary cost or savings to local agencies, and (4) no cost or savings in federal funding to the state. No studies or data were relied upon to make this determination.

3) Local Mandate Determination

The department's regulatory action amending Section 124.92 in Article 2.5, Chapter 1, Division 1, Title 13 of the California Code of Regulations does not impose any mandate on local agencies or school districts.

4) Summary of Comments Received and Department Response

The proposal was noticed on July 24, 2026, and made available to the public from July 24, 2026 through September 7, 2026. The department received no written comments during the 45-day comment period.

5) Document Incorporated by Reference

The following document is incorporated by reference:

- Application for Termination of Action, form DL 4006 (Rev. 5/2024)

This form is not published in the California Code of Regulations because it would be impractical and cumbersome to do so. The department has many forms used for various transactions and to publish all forms in the California Code of Regulations would make Title 13, specifically Chapter 1, overly extensive and cumbersome. The document was readily available to interested parties during the comment period. The department received no requests for the form.

6) Determination of Alternatives

The department has determine that no reasonable alternative considered by the department or that has otherwise been identified and brought to the attention of the department would be more effective in carrying out the purpose for which the action is proposed, or would be effective as and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provisions of law.
