UCR Extends 2019 Registration Grace Period

Enforcement Now Recommended as of May 1

The Unified Carrier Registration (UCR) Plan is extending the grace period for 2019 UCR Registration enforcement.

UCR is requesting that states delay enforcement to May 1, 2019, for the 2019 UCR Registration year.

The delay is intended to provide motor carriers with ample time to register for the 2019 year.

The Commercial Vehicle Safety Alliance (CVSA) supports the UCR recommendation: [https://plan.ucr.gov/wp-content/uploads/2018/04/2019-01 Unified Carrier Registration Agreement UCR Revised 03-28-2019.pdf](https://plan.ucr.gov/wp-content/uploads/2018/04/2019-01_Uniform_Carrier_Registration_Agreement_UCR_Revised_03-28-2019.pdf)
