

DICTIONARY

Note: Manufacturers that provide privately owned vehicles for non-commercial use shall provide a report summarizing the total number of vehicle miles traveled but are not required to provide the Vehicle Identification Number.

SUBMISSION DATE	Enter date the report was provided to the department. (YYYY-MM-DD)
PERMIT TYPE	Enter permit type AVT###, AVDT###, AVD###.
VIN	17-character vehicle identification number. <small>(NOTE: Manufacturers are not required to provide a VIN when the deployment includes privately owned vehicles for non-commercial use)</small>
ENTER MONTH RANGE HERE	For testing reports enter the month being reported and the miles for each VIN. For deployment reports enter the quarterly range being reported and the miles for each VIN. <small>(NOTE: Manufacturers are not required to provide a VIN when the deployment includes privately owned vehicles for non-commercial use)</small>
MILEAGE	Enter vehicle miles traveled within the specified range of time covered by the report.
