

## ARIZONA REDUCED FEE CERTIFICATION

The laws of the state of Arizona allow a reduction of IRP fees for power vehicles that meet certain specific operational requirements as follows:

**One Way Hauling:** At least 45% of the mileage during the registration year is traveled without a load. (Code "O")

**Route Truck:** The vehicle weighs more than 26,000 lbs. and begins and ends a trip at the same point without adding to the load. At the midway point the load is less than 45% of full load capacity of the vehicle. (Code "R")

**Agricultural Products:** The vehicle is used *exclusively* for transporting agricultural products such as crops, machinery, supplies, or livestock used or produced in farming operations. The products, crops or livestock must be unmanufactured or unprocessed. (Code "A").

For each vehicle that qualifies for the reduced fee, list the equipment number, year model, make, and last 6 digits of the vehicle identification number (VIN) and check mark or "x" the appropriate code for the type of qualified usage. This form must be returned for all types of IRP applications including renewals, originals, and supplements if any of the vehicles within the transaction qualify for the fee reduction.
