Appendix 1E and REG 352 Revisions

Issue Date October 8, 2015

New Information
Revisions have been made to the:
- Appendix 1E, California License Plate Data (1914–1972), in the Vehicle Industry Registration Procedures (VIRP) Manual to include requirements for 1963 and newer year model vehicles, additional plate material information, and corrections.
- Year of Manufacture (YOM) License Plate Application (REG 352, REV. 6/2015) to include stipulations for 1963 through 1972 year model vehicles and is available at www.dmv.ca.gov.

The REG 352 is only available online and will not be printed.

Procedures
Continue to follow procedures in the Year of Manufacture (YOM) License Plates section in Chapter 21 of the VIRP Manual.

Distribution
Notification that this memo is available online, at www.dmv.ca.gov under Publications was made via California DMV’s Automated E-mail Alert System in September 2015.

Background
The YOM program allows vintage license plates to be assigned to a corresponding year model vehicle. Appendix 1E provides information to identify California license plates issued between 1914 and 1972. The VIRP Manual will be updated to reflect the new information.
