Instructions for Completing the Commercial Requester Account Application

Before You Begin

Updated August 2005

Incomplete applications result in processing delays. As you review the following instructions, please take a moment to note any changes or suggestions that you feel would make them more understandable. You can make your comments or suggestions directly on the instructions and return them with your application.

Be sure to read all instructions completely before filling out the forms and keep a copy of all forms for your records; DMV will not return copies.

The Commercial Requester Account Application (INF 1106) is to be used by “End Users” ONLY. An “End User” is any legitimate business entity who is requesting access to DMV record information (commonly referred to as “Motor Vehicle Records [MVRs]”) in order to perform their own business function (Examples: Attorney/Law Office, Auto Auction, Dealer, Financial Institution, Insurance Company, Insurance Agent/Broker, Lien Sale Co., Registration Service, etc.)

If you are requesting access to DMV record information to provide a pass-thru/reformat service to another pre-approved requester (Vendor or End User) or a person or entity who is authorized by another pre-approved End User to access, receive and use DMV record information on their behalf, you must complete form INF 1106V “Commercial Requester Account Service Provider Application” which is available on the DMV’s website at www.dmv.ca.gov, click on “Other Services” and “Commercial Requester Account” or by contacting the DMV’s Account Processing Unit at (916) 657-5564.

Account Number

If you are an existing customer and are submitting a renewal or change application, indicate the “account number” that has been issued by the DMV. For first time applicants, the account number will be entered by the DMV technician and included on your approval letter.

Note: The “Account Number” was formerly referred to as the “Agreement Number”.

Change – Check this box if you have an existing account and you are changing information, such as, the contact person, address, record access method, permissible use, etc. Include all requester codes currently issued.

Renewal – If you have received a “renewal notice” (commonly referred to as an “address insert sheet”) in the mail or your account is expiring, check this box and complete all sections. Be sure to return your “renewal notice(s)” with your renewal application.
