I have a driving school instructor license. Must I obtain additional licenses to operate the driving school?
Yes. The license to provide driving school instruction does not include the right to operate the driving school.

I have a driving school instructor license. Must I obtain additional licenses to teach at other driving schools?
Yes. You must obtain permission from the owner of the school you are currently licensed and then apply for a driving school instructor license for the additional school you would like to provide driving instruction.

What is the license renewal period?
An instructor’s license is valid for three years, based on the month the original license was issued. The license must be renewed prior to the expiration date of the license. At the time of renewal, the written examination must be taken. Renewals will not be accepted after expiration of current license.

What is “Live Scan” fingerprinting?
Live Scan is inkless electronic fingerprinting. The fingerprints are electronically transmitted to the Department of Justice (DOJ) for completion of a criminal record check.

Who is affected by it?
Anyone applying for the first time to be licensed as a vehicle salesperson, dealer, driving instructor, driving school owner, driving school operator, or any other vehicle industry related occupation licensed by DMV will be live scan fingerprinted. It also applies to first time applicants for an ambulance driver certificate.

What is the cost to be live scan fingerprinted?
The live scan fingerprinting service fee varies from about $5 to $20. The cost to electronically fingerprint the applicant is determined by the local live scan agency. According to DOJ, they can charge a fee sufficient to recover their costs. The $32 DOJ criminal record check fee is also collected at the live scan site.
What will the applicant need to do to be live scan fingerprinted?

The applicant can call the local police or sheriff’s department to find their local Live Scan sites that are open to the general public. The applicant can also call the department’s Occupational Licensing offices in Sacramento (916) 229-3127 or Los Angeles (213) 744-7563 and be mailed the department’s live scan request form. A sample of the department’s live scan form can be found on the Internet. If the licensee does not use the department’s live scan form, it is suggested that he/she take a sample of the form with them to ensure the live scan site has all the information needed for transmitting the data to Occupational Licensing.

Note: The applicant must go to a Live Scan site to be Live Scan fingerprinted BEFORE applying for an occupational license at DMV. If you have held an Occupational License issued by DMV in the past 3 years, you may not require a new set of prints.

Where are the live scan sites?

There are more than 130 live scan sites throughout the state. A current list of DOJ’s Live Scan stations is available through DOJ’s Internet web page. The Internet address is: http://caag.state.ca.us/app/contact.pdf

Or, you may call your local police or sheriff’s department for the nearest Live Scan station that is available to the general public.

6. By reason of the facts and circumstances relating to the organization, control, and management of the business, it is likely that the policy or operation of the business will be directed, controlled, or managed by a business representative who, by reason of any act, series of acts, or conduct described in paragraph (4) or (5), would be ineligible for a license and that, by licensing the business, the purposes of this division would be defeated.
7. The applicant has knowingly made a false statement or knowingly concealed a material fact in applying for a license.
(8) The applicant, or one of the business representatives if the applicant is a business, has been
convicted of a crime, or has committed any act or engaged in conduct involving moral turpitude,

(b) Upon refusal of the department to issue a license, the applicant may demand, in writing, a hearing
before the director or the director’s representative within 60 days after notice of refusal.
The hearing shall be conducted pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of
Division 3 of Title 2 of the Government Code.

2. The licensee fails to keep the records required by this chapter.

3. The licensee (A) permits fraud or engages in fraudulent practices either with reference to the applicant for a driver’s license or an all-terrain vehicle safety certificate or the department, or (B) induces or countenances fraud or fraudulent practices on the part of any applicant.

4. The licensee fails to comply with this chapter or regulation or requirement of the department adopted pursuant thereto.

5. The licensee represents himself or herself as an agent or employee of the department or uses advertising designed to create the impression, or that would reasonably have the effect of leading persons to believe, that the licensee is in fact an employee or representative of the department; or the licensee makes an advertisement, in any manner or by any means, which is untrue or misleading and is known, or which by the exercise of reasonable care should be known, to be untrue or misleading.

6. The licensee, or any employee or agent of the licensee, solicits driver training or instruction or all-terrain vehicle safety instruction in, or within 200 feet of, an office of the department.

7. The licensee is convicted of violating Section 14606, 20001, 20002, 20003, 20004, 20006, 20008, 23103, 23104, 23152, or 23153 of this code or subdivision (c) of Section 192 of the Penal Code. A conviction, after a plea of nolo contendere, is a conviction within the meaning of this section.

13. The licensee holds a secondary teaching credential and explicitly or implicitly recruits or attempts to recruit a pupil who is enrolled in a junior or senior high school to be a customer for any business licensed pursuant to this Article that is owned by the licensee or for which the licensee is an employee.

(b) In the interest of the public’s safety, as determined by the department, the department may immediately suspend the license of any licensee for any alleged violation under this chapter and shall conduct a hearing of the alleged violation within 30 days of the suspension.

Revocation or Suspension of License: Additional Causes

11110.1. Any of the causes specified in this chapter as a cause for refusal to issue a license under this chapter is cause to suspend or revoke a license under this chapter.

Cancellation of School Owner’s License

11110.2. The license issued to a school owner shall be automatically canceled upon the happening of any of the following:

(a) The abandonment of the established place of business or the change thereof without notice to the department pursuant to Section 11108.5.
(b) The failure to maintain an adequate bond or to procure and file another bond, as required by Section 11102, prior to the effective date of the termination by the surety of any existing bond.
(c) The voluntary or involuntary surrender of the license, except that a surrender or cessation of business by the licensee, or the suspension or revocation of the corporate status of the licensee, does not preclude the department from filing an accusation for revocation or suspension of the surrendered license, as provided in Section 11110, or affect the department’s decision to suspend or revoke the license.
(d) Notification to the department that the person designated as licensee has changed.
(e) Suspension or revocation of the corporate status of the licensee.

Cancellation of License When Issued in Error or Surrendered

11110.5. The department may cancel any license issued under this chapter when that license has been issued in error or voluntarily surrendered to the department for cancellation. Whenever a driving school operator’s license or an instructor’s license is canceled, it shall be without prejudice and shall be surrendered to the department. Any person whose license has been canceled may immediately apply for a license, and the application may be accepted without additional fee or examination under rules and regulations adopted by the department.

This section shall become operative on July 1, 1988.

Interim Refusal to Issue or Suspension of License

11110.7. (a) The department, after notice and hearing, on an interim basis, may refuse to issue or may suspend a license issued under this chapter when the applicant or licensee, or a business representative if the applicant or licensee is a business, has been convicted of a crime involving moral turpitude which is substantially related to the qualifications, functions, or duties of the licensed activity, if an appeal of the conviction is pending or the conviction has otherwise not become final. A conviction after a plea of nolo contendere is a conviction within the meaning of this section.

(b) If a conviction, upon which an interim refusal to issue or suspension under subdivision (a) is based, is affirmed on appeal or otherwise becomes final, the refusal to issue or the suspension shall automatically become effective as a denial or revocation, as the case may be, of the license. If the interim refusal to issue or the suspension was stayed under probationary terms and conditions, the subsequent automatic denial or revocation shall also be stayed under the same terms and conditions for a term not to exceed the original term of probation for the interim refusal to issue or suspension.

(c) If a conviction, upon which an interim refusal to issue or suspension under subdivision (a) is based, is reversed on appeal, the department shall set aside immediately that refusal or suspension.

Notice and Hearing Before Cancellation, Suspension or Revocation of License

11111. (a) Every licensee under this chapter is entitled to notice and hearing prior to cancellation, suspension, or revocation of the license by the department, except that the department shall immediately cancel the license without a hearing for failure of the licensee to meet and maintain the requirements of paragraph (1), (3), or (4) of subdivision (a) of Section 11102, or Section 11103 or 11103.1, or paragraph (4), (5), or (6) of subdivision (a) of Section 11104, or paragraph (4), (5), or (6) of subdivision (a) of Section 11104.3, or Section 11110.2.

(b) The notice and hearings provided for in this chapter shall be pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

(c) Any action of the department in suspending, canceling, or revoking, or failing to renew a license may be reviewed by any court of competent jurisdiction.

(d) The department may, pending a hearing, temporarily suspend the license or permit of any person licensed under this chapter for not more than 30 days if the director finds that the action is required in the public interest. In that case, a hearing shall be held and a decision issued within 30 days after notice of temporary suspension.

(e) The suspension, expiration, or cancellation of a license issued under this chapter does not preclude the filing of an accusation for the revocation or suspension of the suspended, expired, or canceled license as provided in Section 11110, and does not invalidate or otherwise preclude a decision by the department to suspend or revoke the license. That determination may be considered in granting or refusing to grant any subsequent license authorized by this chapter to the same licensee, or to any partner, officer, director, or stockholder of the same licensee.

Service of Process

11111.2. Any owner licensed under this chapter who has closed his or her established place of business or any operator or instructor currently or previously licensed under this chapter who no longer resides at the address last filed with the department, may be served with process issued pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code by registered mail at that place of business, in the case of an owner, or at that residence, in the case of an operator or instructor, unless the person has notified the department in writing of another address where service may be made.

Filing of Accusation: Compromise Settlement

11111.5. (a) After the filing of an accusation under this chapter, the director may enter into a stipulated compromise settlement agreement with the consent of the licensee on terms and conditions mutually agreeable to the director, the respondent licensee, and the accuser without further hearing or appeal. The agreement may include, but is not limited to, a period of probation or monetary penalties, or both. The monetary penalty shall not exceed one thousand dollars ($1,000) for driving school owners or for a principal in an all-terrain vehicle safety training organization or five hundred dollars ($500) for driving school operators or for driving instructors or all-terrain vehicle safety instructors for each violation, and the monetary penalty shall be based on the nature of the violation and the effect of the violation on the purposes of this chapter.

(b) A compromise settlement agreement may be entered before, during, or after the hearing, but is valid only if executed and filed pursuant to subdivision (d) before the proposed decision of the hearing officer, if any, is adopted or the case is decided.

(c) The department shall adopt, by regulation, a schedule of maximum and minimum amounts of monetary penalties, the payment of which may be included as a term or condition of a compromise settlement agreement entered under subdivision (a). Any monetary penalty included in a compromise settlement agreement shall be within the range of monetary penalties in that schedule.

(d) Any compromise settlement agreement entered under this section shall be signed by the director, the respondent licensee, and the accuser, or by their authorized representatives. The director shall file, or cause to be filed, the agreement with the Office of Administrative Hearings, together with the department’s notice of withdrawal of the accusation or statement of issues upon which the action was initiated.

(e) If the respondent licensee fails to perform all of the terms and conditions of the compromise settlement agreement, the agreement is void and the department may take any action authorized by law notwithstanding the agreement, including, but not limited to, refiling the accusation or imposing license sanctions.

(f) This section shall become operative on July 1, 1988.

   (2) A component examining driver attitude and motivation that focuses on the reduction of future driving violations, with particular emphasis on aggressive driving behavior and behavior commonly known as “road rage”.

   (b) The director may also prescribe rules and regulations for the conduct of driving instructor training courses required by Sections 11102.5 and 11104, including curriculum, facilities, and equipment.

   The department shall monitor instruction given by driving schools.

The department shall establish rules and regulations prescribing standards for the licensing and control, as provided in this chapter, of owners, operators, and instructors and the courses of driver education and driver training for driving schools providing training courses for class 1 and class 2 licensed drivers. The standards shall provide for requirements of licensing, training, and control to assure that the owners, operators, and instructors are qualified to provide the type of training needed by drivers for safe operation of large commercial vehicles on the highway.

Reexamination

11114. The department may require any person licensed under this chapter to submit to a reexamination of his qualifications when there is reasonable cause to believe that the licensee does not have the ability to give driving instruction. If the licensee refuses or fails to submit to such reexamination, the
